

Section VII. Technical Specifications

SPECIFICATION	STATEMENT OF COMPLIANCE
ABC (P 467,950.00)	[Bidders must state here either "Comply" or "Not Comply" against the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of "Comply" or "Not Comply" must be supported by evidence in a Bidder's statement of compliance cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statement of compliance and compliance issued by the manufacturer, satisfactory independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradictory evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder's statement of compliance or supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution.
