

Section VII. Technical Specifications

	SPECIFICATION	STATEMENT OF COMPLIA
		[Bidders must state here either "Comply" or "Not Comply" for each individual parameters of each Specification stating the performance parameter of the equipment offered. If "Not Comply" must be supported by evidence in a form referenced to that evidence. Evidence shall be in the form of amended sales literature, unconditional statement of compliance issued by the manufacturer, samples, independent evaluation, etc. A statement that is not supported by evidence found to be contradicted by the evidence presented will be liable for rejection. A statement either in compliance or the supporting evidence that is found to be contradictory, post-qualification or the execution of the Contract shall be considered as fraudulent and render the Bidder or supplier liable.
