

Section VII. Technical Specifications

	SPECIFICATION	STATEMENT OF COMPLIA
		[Bidders must state here either "Comply" or "Not Comply" for individual parameters of each Specification stating performance parameter of the equipment offered. If "Not Comply" must be supported by evidence in a separate sheet referenced to that evidence. Evidence shall be in the form of amended sales literature, unconditional statement of compliance issued by the manufacturer, samples, independent evaluation, etc. as appropriate. A statement that is not supported by evidence found to be contradicted by the evidence presented by the bidder at evaluation is liable for rejection. A statement either in the form of compliance or the supporting evidence that is found to be fraudulent and render the Bidder or supplier liable for rejection.
